Notices of Motion

5.1 Cllr. Annmarie Ryan (Shiner) & Cllr. Tony Black (Ref. ID 2440)

That this District deliver on their commitment to support the Tipperary Town Wildlife Corridor Map created by Tipperary Tidy Towns Biodiversity Group. This commitment includes ensuring that this biodiversity corridor is not sprayed with chemicals thereby preserving it as a wildlife sanctuary. This non spraying policy to be carried out (in these areas) not only by Local Authority staff but by private contractors hired by Tipperary County Council.

Furthermore, that this District work towards developing Tipperary Town as a No Spray Town and to look at best practice in other local authorities as to how to make this happen.

5.2 Cllr. Tony Black (Ref. ID 2441)

That this council would install hand rails on the steps at the bottom and top of "The Stile" at Hillside, Old Monastery Road in Tipperary Town. This is a popular access route to The Hills for people from the west end of town and the steps are quite dangerous especially for older residents.

5.3 Cllr. Tony Black (Ref. ID 2442)

That this council investigate the condition of the markings for parking spaces in the Tipperary town centre. The parking space markings and disabled bay markings on streets such as John Street, James Street, Grattan Street, Davis Street, Mitchell Street, Blind Street and St. Michael's Street need to be repainted. Can the council check all streets in the town centre and repaint where necessary.
