

Tipperary Local Economic and Community Plan 2024-2029

The purpose of the **Local Economic and Community Plan** is to set out, for a six-year period, the objectives and actions needed to promote and support the economic development and the local and community development of County Tipperary both by the County Council and in partnership with other economic and community development stakeholders.

High-Level Goals

1. Community Resilience and Wellbeing

County Tipperary will be a proactively socially inclusive county, and that all communities in Tipperary would improve in terms of their resilience and their capacity to contribute to the wellbeing of their members.

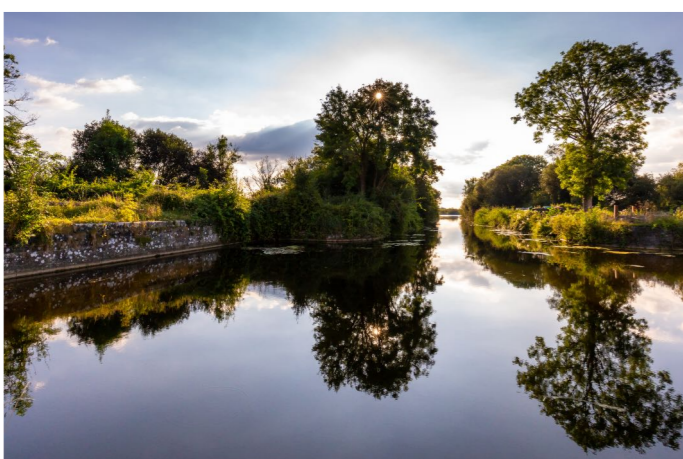

2. Economic Development

County Tipperary will be characterised by a diverse, innovative and environmentally-aware economy in which enriching employment opportunities are available for all its citizens and the necessary education and training opportunities are easily accessible by all.

3. Climate Action

County Tipperary will be rich in biodiversity, at a minimum contribute its fair share to national targets for reductions in greenhouse gas emissions, that its households, communities and businesses would be active in adapting to climate change, and that environmental impact considerations would inform all decisions in the county.

4. Education and Skills

That the people of the county will have the knowledge and skills necessary to be productive, supportive and innovative members of society

5. Culture and Heritage

That a positive culture will develop within the county that values and links the achievements of the past to the creativity and innovation of today.
