About the scheme

Tipperary County Council allocates funding annually under the Arts Act Grant Scheme to assist the development of the arts in County Tipperary.

The “arts” means any creative or interpretative expression (traditional or contemporary) in whatever form, and includes visual arts, theatre, literature, music, dance, opera, film, circus and architecture, and any medium when used for those purposes.

The Arts Act grant scheme is intended to assist **groups** and **organisations** in stimulating public interest in the arts, promoting the knowledge, appreciation and practice of the arts or in improving standards in the arts in the county.

Events supported under this scheme should aim to deliver quality arts experiences to participants and audiences, to increase opportunities for participation and engagement in the arts and to contribute to the development of the arts in the county.

Please note that this is a competitive scheme. It will not be possible to fund all applications received. Eligibility and compliance with these guidelines do not guarantee receipt of an award. Organisations that are successful may not receive the full amount of funding assistance that they applied for.

Who can apply?

- Groups and organisations seeking funding assistance under this grant scheme must be based in the Tipperary administrative area.
- Groups/organisations may only make one application per annum.
- Only ‘not for profit’/voluntary groups or organisations are eligible to apply to receive funding assistance.
- Groups must be registered with the Public Participation Network (PPN) in order to receive funding assistance from Tipperary County Council.

What can be applied for?

- Funding assistance can be given for the artistic costs involved in running an arts programme, project or event which would, in the opinion of the Council, deliver quality arts experiences to participants and audiences, to increase opportunities for participation and engagement in the arts and to contribute to the development of the arts in the county.
- Examples of previously funded applications include costs towards an annual theatre or musical production, an annual visual arts exhibition, arts workshops for teenagers, an artist-led project exploring themes of nature with a group etc.
- Organisations or groups wishing to work with an artist must engage a Professional Artist and must provide the artist’s CV with the application.
- Funding assistance will be given only in respect of an arts project or event which takes place in the Tipperary administrative area or that has a specific significance to the Tipperary administrative area.
- The 2024 Grant Scheme applies to events/projects which take place between January and December 2024.

What cannot be applied for - types of projects which are not eligible

- Tipperary County Council will not fund commemorative events, publishing (including historical books), community publishing projects, heritage or oral history community

projects, ongoing costs for art/music classes, uniforms, equipment or any kind of capital or building-related costs under this scheme.

- Fundraising/Charity events, school shows/productions and events that are primarily competitive in nature are not eligible for assistance under the Arts Act Grant Scheme.
- The scheme will not provide assistance for ongoing revenue costs or assistance to cover loans/deficits of any groups/organisations.
- Costs related to gifts, prizes, spends on alcoholic beverages, fines, legal costs or penalty payments.

- Individual artists are not eligible to apply under this scheme and should refer to Tipperary Artist Awards 2024.
